

Mental Capacity Act Training

Helping people who are unable to make some decisions for themselves

The Mental Capacity Act (MCA) applies to everyone who works in health & social care and is involved in the care, treatment or support of people aged 16 and over and who may be unable to make all or some decisions for themselves.

The following training has been arranged for those working in the Torbay Health Community:

Core Training: This is broadly based to cover the knowledge needed by people working in a range of health and social care settings.
